

Thank you!

.....

Thank you for download. There are an infinite amount of design resources available online so I'm honored that you've downloaded mine and I'm positive that you'll enjoy your product.

With your download is included a license that grants usage for both personal and commercial purposes. Modification or redistribution of these files is strictly prohibited. If you would like to learn more about the license included or wish to purchase an extended license please get in touch with me via seancoady.ca.

Be sure to check out my shop for other great products as well as my Youtube channel & social networks where you'll find tutorials, articles, free resources and more!
